MEMORANDUM FOR:

25X1

SUBJECT: NSC Progress Report Section  
on Warning of Attack

1. Attached is a revision of Section XI, Warning of Attack, of the NSC Progress Report which has been prepared by this office on the basis of the, also attached, warning of attack speech made by General Cabell.

2. This was called to our attention by  (his memo).

25X1

3. While we do not believe that at this time it is desirable to attempt a revision of this particular issue of the NSC Progress Report along this line, I would appreciate, in anticipation of the next revision of the Progress Report, having your reaction at this time as to whether something like the draft would be accurate.

JAMES Q. REBER  
Assistant Director
